You don't know what you got until it's gone
And you don't know what you lost until it's gone

Bring It

All you punks shut the fuck up, shut the fuck up,
I said shut the fuck up!
All you punks step the fuck back, step the fuck back,
Yeah step the fuck back!
Oh you like that don't ya, yeah, You like that don't ya?
Well like what you like cuz Lynn likes this life, motherfucker,
I said Lynn likes this life!!!

You don't know what you got until it's gone
And you don't know what you lost until it's gone
Until someone you know goes away and dies
They're gone forever...

Every second you're alive is a countdown My life, your life, his life, their life, it's so temporary.

You don't know what you got until it's gone
And you don't know what you lost until it's gone
Until someone you know goes away and dies
They're gone forever...
