

Buried

Snow Ghosts

Oh, you said you couldn't lose another me
Just another young'un under yew trees

Mmm I'm buried underground
Mmm I'm buried underground

And as your roots run around me
Tearing through the memories that cover me

Mmm I'm buried underground
Mmm I'm buried underground

Oh, you said you couldn't lose another me
Just another young'un under yew trees

Mmm I'm buried underground
Mmm I'm buried underground

And as your roots run around me
Tearing through the memories that cover me

Mmm I'm buried underground
Mmm I'm buried underground
