

Shut Your Eyes

Snow Patrol

Intro: **D D Am G**

D **Am G**
Shut your eyes and think of somewhere
Somewhere cold and caked in snow
By the fire we break the quiet
Learn to wear each other well

C **G**
And when the worrying starts to hurt
and the world feels like graves of dirt
Just close your eyes until
you can imagine this place, Yeah, our secret space at will

D **Am G**
Shut your eyes, I spin the big chair
And you'll feel dizzy, light, and free
And falling gently on the cushion
You can come and sing to me

And when the worrying starts to hurt
and the world feels like graves of dirt
Just close your eyes until
you can imagine this place, Yeah, our secret space at will
