Snow Tha Product

Yo, look

Um you said I met you at a bad time, okay  
You got an ex and hope the bad vibes go away  
But there's a reason that you met me, ain't it?  
Look I'm a cancer, I save everyone that don't need savin'  
I mean I probably fucked up soon as I met you, huh?  
Something told me get you, uh  
Looking at me soon as I walked in, like I could bet you, I  
Know what drink you bout to buy me, line you bout to tell me  
Let me give your ass a break like Recess, I'll be your Spinelli  
I-I-I ain't tryna get involved  
I wanna get the call like  
"What you doin' tomorrow?"  
"I don't know but I'm off, why?"  
"Cause' I'm tryna know if you can go to this event, look I don't got a date  
to take, but I would love to take a friend"  
So we go and then it's lit, it's on some rom-com shit  
I mean the ambiance, boujee, a bidi bom bom a bit  
And your up-tight, out my league fancy ass get  
You had the answers all along, you need a Mexican chick

Let me play the background baby  
That way you could take your time  
But it's worth the thought now ain't it?  
I mean just in case you change your mind  
Let me play the background baby  
That way you could take your time  
But it's worth the thought now ain't it?  
I mean just in case you change your mind

She say

Call me what you want, just never call me after midnight  
She needs me to go over and do that thang right  
Got me saved under Sabrina in her new phone  
I don't mind playing in the back if her dude know  
But she workin' it, yeah I know she workin' it  
Keep it on the low cause' she know that there's people lurking it  
It don't make no difference, I ain't fighting for position  
I know when to hit you back, and when I gotta keep my distance  
But now I gotta keep you on your toes  
My girl was questioning me on why I received a text from Domino's (damn)  
I mean, come on now you know how it goes  
You know what time of day to hit me  
Why you act gotta like you ain't know? yeah  
Let me know when you'll be free again  
Pick you up and take you places you ain't never been  
And tell your mans to chill out, why he always hatin'?  
Like damn dog I like her too, even if y'all dating

Let me play the background baby  
That way you could take your time  
But it's worth the thought now ain't it?  
I mean just in case you change your mind  
Let me play the background baby  
That way you could take your time  
But it's worth the thought now ain't it?  
I mean just in case you change your mind

Yuh

In case you change your mind, let me tell you something  
Yeah you bangin' up your vibes, I need a couple doses  
I might just fuck around and sip up, overdose then black out  
Might fall in love with that ass, I plan to find out  
I ain't tryna cuff you either, girl it's all good  
I'm with the whole wink emoji, being fresh too  
I know you busy and I'm busy too  
Tryna do what it do, I ain't gon' press you  
I'm gon' fall back, figure out what's best for you  
Can I hit in the morning?  
Shit if we both playin', it's only right we set some rules  
And I'm just saying it could really work, [?]  
But what your girls tell you, listen what I'm saying  
Dime que te quedes, dime que te quedes  
Girl I'm with the cards whenever we can get it  
Dime que te quedes, yeah

Let me play the background baby  
That way you could take your time  
But it's worth the thought now ain't it?  
I mean just in case you change your mind  
Let me play the background baby  
That way you could take your time  
But it's worth the thought now ain't it?  
I mean just in case you change your mind
