

## For Real

Snow Tha Product

(Pum-Pumbaa are you nuts?)

It is for real (uh huh)  
It is for real (uh huh)  
I'm runnin' out of time  
It is for real (uh huh)  
It is for real  
Real, real

Driving, catchin' flights and killin' it (yeah, yeah, yeah, yeah)  
I fucked around and caught myself some feelings (yeah, yeah, yeah, yeah)  
'Cause if you really want this tell me now (yeah, yeah, yeah, yeah)  
I got my flight I'm runnin' out of time (yeah, yeah, yeah, yeah)  
You say can't wait on me  
Came for one night but I stayed a week  
Met a lot of people but they ain't like me  
I been fuckin' with you like I ain't gon' leave  
And I can make you feel alright (yeah, yeah, yeah, yeah)  
Just let me know if I'm wrong or right (yeah, yeah, yeah, yeah)

It is for real (uh huh)  
It is for real (uh huh)  
I'm runnin' out of time  
It is for real (uh huh)  
It is for real

Tell me is it really real (real)  
I'm startin' to see how you feel  
I don't mind payin' the price  
But you gotta tell me the deal  
I'm the one payin' the bills  
And you the one spendin' the bills  
And I'm here just keepin' it trill  
You don't tell me how you feel  
I find myself on your time  
When I'm takin' you shopping  
Not patient, I once was  
That's why I skipped college  
Turned tuition to a profit  
Bought a truck with low mileage  
But you treat me like an option  
And I don't want to be your hobby, yeah

It is for real (uh huh)  
It is for real (uh huh)  
I'm runnin' out of time  
It is for real (uh huh)  
It is for real  
Real, real
