GLOW

SNOW WIFE

Tattooed superstar
Come hop in my car now
Bow
We'll have dizzy fun
I can keep you tied down
Ow

Flashlight in the dark
I'm in love with bloody hearts
Something underneath
I feel sexy when you scream

Bleach blonde ponytail
Pop a double watch you sail
Old man like your bands
I think we should OnlyFans

Glow

I wanna see you go Like 20-karat gold And match it to my flow Oh

Glow

I wanna get to know
The spaces we can go
Like powder crystal snow
Oh

Glow

I wanna see you go Like 20-karat gold And match it to my flow Oh

Glow

I wanna get to know
The spaces we can go
Like powder crystal snow
Oh

Boujee like a diamond
Readers Digest
I can behind it
Pocket profit
Hey you
Mighty fine
You're a good target
Snooze loose
Lost the booze
I hope we can find it

She wanna kick back Kiss me now Pop her gum I like her smile Faded underground Welcome to the devils house

Cocaine in the yard
I like my men super hard
You seem like my end
You should be my party friend

Glow

I wanna see you go Like 20-karat gold And match it to my flow Oh

Glow

I wanna get to know
The spaces we can go
Like powder crystal snow
Oh
