

POOL

SNOW WIFE

Sweat on my body
Come lick it off me
Slippin' and slidin' under the sun
Sex in the ocean
Come dip your toes in
Flyin' and floatin'
Let's get it on

Hot, like a hundred degrees
Let's get down and dirty
Nakey, nakey, nakey
Hot, how you're staring at me
Better bring your sunscreen
Nakey, nakey, nakey

Ooh, la la
Let's go skinny dipping in the pool, la la
Jump into the water, make it move, la la
Wet and wild waitin' just for you, la la
Let's ooh, la la (La)

Meet me in Japan
Let's get freaky on the sand
Put some oil on your hands
So my coconuts can tan
Meet me in L.A
I'll be naked catching rays
Malibooty lookin' great
Hot girl summer every day

Hot, like a hundred degrees
Let's get down and dirty
Nakey, nakey, nakey

Ooh, la la
Let's go skinny dipping in the pool, la la
Jump into the water, make it move, la la
Wet and wild waitin' just for you, la la
Let's ooh, la la (La)
Ooh, la la la
Let's go skinny dipping in the pool, la la
Jump into the water, make it move, la la
Wet and wild waitin' just for you, la la
Let's ooh, la la (La)

Ooh, the DJ playin' my song
And now it's getting real hot on the dance floor
I turn into a monster
Hot on the dancefloor
I turn into a monster

Ooh, la la
Let's go skinny dipping in the pool, la la
Jump into the water, make it move, la la
Wet and wild waitin' just for you, la la
Let's ooh, la la (La)
