

# Missing You

Snow

Every time I close my eyes I think of you  
Remembering the things that we used to do  
But now I'm out here so far away  
Just the memories of yesterday

And now I need to find a way to be with you always  
Cause I've been craving for your bing-bing-bong-be-bong-bong-de everyday

But now you're out there so far away  
Missing you is just killing me

I need my girl to come  
Phone me tomorrow  
I need my girl to come  
Love me to tomorrow  
I need my girl to come  
Kiss me tomorrow  
But I OH I can't wait till tomorrow

I need my girl to come  
Hug me tomorrow  
I need my girl to come  
Rub up me to tomorrow  
I need my girl to come  
Smooch a me tomorrow  
But I OH I can't wait till tomorrow

Feels so empty inside of me  
With you is where I want to be

And now I need to find a way to be with you always  
Cause I've been craving for your bing-bing-be-bong-bong-be everyday

But I'm out here so far away  
Missing you is just killing me

I need my girl to come  
Phone me tomorrow  
I need my girl to come  
Love me to tomorrow  
I need my girl to come  
Kiss me tomorrow  
But I oh I can't wait till tomorrow

I need my girl to come  
Hug me tomorrow  
I need my girl to come  
Rub up me to tomorrow  
I need my girl to come  
Smooch a me tomorrow  
But I oh I can't wait till tomorrow

Girl if it was only yesterday?  
You were right here beside me  
All I have now that god is a memory  
Got a find a way to make this dream a reality

I need my girl to come  
Phone me tomorrow  
I need my girl to come  
Love me to tomorrow  
I need my girl to come  
Kiss me tomorrow  
But I oh I can't wait till tomorrow

I need my girl to come  
Hug me tomorrow  
I need my girl to come  
Rub me to tomorrow  
I need my girl to come  
Smooch a me tomorrow  
But I oh I can't wait till tomorrow

Phone me tomorrow.  
Love me tomorrow.  
Kiss me tomorrow.  
But I oh I can't wait till tomorrow

Hug me tomorrow.  
Rub me tomorrow.  
Smooch me tomorrow.  
But I oh I can't wait till tomorrow.
