Runway

Snow

ooh, you better better clear the runway, hey
step to SNOW you got problem
because you better clear the runway, hey hey
step to SNOW you got problem
because you better clear the runway, hey
step to SNOW you got problem
because you better clear the runway, hey hey

Clear a de runway cause a here I man come
All the Rudebwoys know from where me came from
When you hear fe me voice you never know what I've been through
Step to de Snow man mashing up your whole crew
Ah me say yes sir Daddy me Snow me are the top celebrity
Roam up the dance in a nicer party
Anything that me do man me do it better
Come in a de place like a ruling gangsta
Gun on my hip, knife de pan my side
Hear a rumor any dj can try to
challenge me goes and gets him burial,
me say look how me great and my potential

step to SNOW you got problem
because you better clear the runway, hey
step to SNOW you got problem
because you better clear the runway, hey hey
step to SNOW you got problem
because you better clear the runway, hey
step to SNOW you got problem
because you better clear the runway, hey hey

Tell me what dem a go do to stop the Snowman from singing?
all right
Tell me what dem a go do to stop the Snowman from chanting?
'ey?
Me say Sha la la la la la la low
Daddy me daddy me daddy me snow me I go tell you
Ah when they put me down me get back up
Daddy Snow is much wiser (wise wise wise wise)
Skidily diddily boom let the good time role
Skidily diddily boom let the good time role
Now you come into the place want to cause some trouble
step to the Snow man get it in a double
now when a me drink yes me drink it down full
no me carry ouzi no fe carry rifle
Place dat me live in call it Allenburry
When me walking, when me chanting
Me I feel cool and deadly ah

Knick knack Paddywhack an'
here we here we go
Looked up again and I can't find the door
Can't find the door otherwise I mean switch
All because of this one
You know who you are you're freaking all of the guys
With your long brown hair and your big blue eyes
Standing on the corner me say waiting for some love no
Anything you get your lips upon yes you would not stop

Now tell all your best friends she can suck mine
Cause she ain't nothing but a fat fool from out of the states
Daddy me Daddy me woopie Daddy Daddy Snow man
yes me mixer daddy prince man
Come in a de place yes me come in fantastic
Yes sir Daddy me Snow automatic
sit down pan the rhythm like a lizard pan the limb yes
you know fe daddy me daddy me snow but keep on talkin' on
Me say look for de girl where they can Tamei, no other
Girl fe come test dress me body, come here
me love her, love her, lover her,
lover her madly madly madly madly
