

## Snowgoons Dynasty Pt 2

Snowgoons

The time is now  
The unveiling of the fifth chapter  
Calls for sacrifice and victory

It's body after body I be laying them down  
Everything has been sacrificial  
The magnificence of death makes everything official  
That's why the most are murderous  
They'd have done it without a blemish  
Cooking up this verbal clap without being a chemist  
Be burning everything from pages to ? my rage is  
Bubblin' over from the mind can read the way the game is  
Genicidal fire engulfing where the blame is  
And I can tell you wildin'  
No problem judging by the way the flame is  
Please underestimate it testivate you see the altar  
Become my passionate offering under my Gibraltar  
A victim to the violent stature of human nature  
Presented as a gift to the ever resent ? present  
Make no mistake now face the first a perished body steakin'  
The pain and suffering's been born amongst the unforsaken  
Take your life to get back at the greatest of the hateful  
I'm showing and proving to the gods  
I'll forever be the grateful

As the German Lugers were brought out  
Black Snow fell  
Introducing The Trojan Horse  
It was only the beginning of our Kraftwerk

The merciless murderous ravaging savage  
An Aborigine that means the body  
A second beckon to my call  
Another ? ? ? ?  
Feeding evades  
I'm a ? ? ? ? ?  
Some call it insane  
Profane  
Bringing balance to the game  
I drain the blood  
Saving it for rainy days  
The flood  
Will be upon us any day  
Ain't no other way  
I'm summoning apocalyptic scenarios  
With scary flows get ?  
? into it  
Welcome to famine  
My hunger's never subsided  
And I'm riding into the death in my last rap  
You will never forget  
Forever embedded the threaded memories of disaster  
After testing the blessing immortal  
This is a ? ? to fight and perish  
At the hand of a god  
Sent to peace at the arena, the hands'll applaud  
Command's at the nod

The servants will kneel, there is no appeal  
You're under my heel, the victory's sealed  
Dynasty

And here begins the fifth chapter  
Of a long standing legacy  
Snowgoons Dynasty
