

Ain't Gonna Lean On You

Snowy White

I'm going to take it now, on the chin
Whole bunch of trouble come again
I'll be good, I'll be fine
I'll just have myself a real good time

You're gonna make it now, I can see
'Cause you're the best there's ever been
Now when I'm gone, you'll be fine
Just go out and have a real good time

Because I ain't gonna lean on you
No, I ain't gonna lean on you
I'll get this out of my head
Kick all my troubles out the door

Yes I know, it ain't cool
But that's what I'm looking for
You're gonna make it now
I can see, 'cause you're the best thing to happen to me

Now when you're gone, I'll be fine
I'll go out and have a real good time
Because I, I ain't gonna lean on you
No, I ain't gonna lean on you
I ain't gonna lean on you
No, I ain't gonna lean on you
