

Alone with Me

Snowy White

On the road to nowhere
That's where I need to be
Unless the devil got another plan
He keeps on calling me
And when I close my eyes I hear that voice
And I don't really have a choice
I've got to be alone with me

It's been walking through my life
And treading on my dreams
It seems the way to peace of mind
Is further than it seems
I'm going to find myself a piece of sky
Under which I'm gonna lie
Then I can be free
And all alone with me

The devil called me brother
Guess I made the grade
It was a feeling like no other
And I was not afraid
But now a light is shining through the storm
That's the place where I can be reborn
And learn to be free
Alone with me

I'm heading out to no place
That's where I aim to be
I've been riding on a slow train
Towards my destiny
Now I can clearly see
The answer to the mystery
That when I get to nowhere
I will be free
