

## Hard Blues

Snowy White

I've been fixing to be laying low  
Paid my dues a long time ago  
But the Lord seemed fit to make me sweat  
That was the best deal I could get

No he don't care  
That there's a human being under there  
So he's gonna make me go through  
Go through these hard blues

My girl got hungry eyes  
She's looking like a refugee  
She's been through a real hard time  
I wish she'd come back to me

Her catastrophe has touched my very soul  
Now I'm gonna help her get through  
Get through these hard blues

I was fixing to be laying low  
Paid my dues a long time ago  
I was hoping for the best  
But still I don't have time to rest

I'm just another mother's son  
Dropping like a falling leaf  
And I don't know if I'm going to make it through  
Through these hard blues...
