

Lonely Heart

Snowy White

There's a story to be told
About a woman's love gone cold
I never thought that it would happen to me this way
I can't take it anymore

There's no secret how I feel
Though I must admit it feels unreal
Now that light don't shine in your eyes like it used to do
You ain't loving anymore

I've got a lonely heart because of you
I've got a lonely heart
I've got a lonely heart and feel so blue
I've got a lonely heart
I've got a lonely heart, it has me too
I've got a lonely heart

I've got to face it, can replace it
No good to turn my face away
I'll get used to feel alone again the way I used to do
I don't need it anymore

I've got a lonely heart because of you
I've got a lonely heart
I've got a lonely heart and feel so blue
I've got a lonely heart
I've got a lonely heart, it has me too
I've got a lonely heart

I've got a lonely heart because of you
I've got a lonely heart
I've got a lonely heart and feel so blue
I've got a lonely heart
I've got a lonely heart, it has me too
I've got a lonely heart

I've got a lonely heart because of you
I've got a lonely heart
I've got a lonely heart, it has me too
I've got a lonely heart
I've got a lonely heart and feel so blue
I've got a lonely heart

(Lonely heart)
