

## Shuvels

Soak

I've got a ghost  
And she's haunting me  
Shows up out of nowhere  
With no warning  
She sits at the next table  
All her words have left  
My mouth running dry as well

Heaven's collapsing  
Buried in the snow  
Friends came with shovels  
But you told them to go

Gooooooooo  
Oooooooooo

Corners of rooms and salty palms  
I tried to call but I couldn't get through  
An I still can't get through  
Time has proved that we've  
Outgrown our old selves

Oooooooooo

I'm in the cracks of the pavement  
You've taken all I've left  
If you're not around now  
Where do I go instead?

Oooooooooo
