SOB x RBE

I never leave my brothers, I never hold out  
Always be thug, nigga never go south  
Keep both eyes open, I know niggas go now  
Always shoot first when those shots go off  
Tell me that she love me, I already know now  
Can't buy tickets, every show sold out  
Chop hold a hunnid and we empty whole rounds  
For any of my brothers, I knock a nigga down
