We them niggas talkin' cash shit
Broke nigga close yo' mouth cause I ain't asked shit
They say I'm actin' different how I'm actin'
Green twenties blue hundreds in the mattress
Fuck around and make that cash flip
Back in the days I ain't had shit
They say I'm actin' different how I'm actin'
They say I'm actin' different how I'm actin'

Lil nigga I'ma eat who I starve with
Niggas really hoes, lil nigga stop barkin'
These hoes they be throwin' up my gang like they barfin'

Circle got small, no fuck niggas
Strictly only brothers if you not I don't trust niggas
Pockets full of knots, but with you it ain't much in it

House to the neck, blowin' pounds like a hashtag
A nigga try to rob me, foolish
Bro in the back sendin' shots at Medulla's
Where his brain at? He don't know, left him clueless
And I don't fuck with snakes, but my belt that's Medusa
