

# Crawling In My Skin

Soccer Mommy

Seeing black  
Seep through the cracks  
Pouring out of the walls  
I watch it creep and crawl  
Through my room  
But I can't move  
Sedate me all the time  
Don't leave me with my mind

Paralyzed, paralyzed

Crawling in my skin  
Crawling in my skin

Hide away  
A quiet place  
But it's with me all the time  
In the corners of my mind  
Calling me  
Into a dream  
There's blood on my lips like wine  
My eyes glow in the knife

Paralyzed, paralyzed

Crawling in my skin  
Crawling in my skin  
Crawling in my skin  
Crawling in my skin
