Soccer Mommy

You used to see  
Lovers embracing making tracks in the snow  
Contrarily  
All of my winter strolls are taken alone

What does it say about me?  
That I'd rather die in your arms than  
Watch you move on without me  
Being the one in your heart  
And what would you think

If I wanted to be yours like no one else before  
I need you to see  
That you make me crazy like no one else could be  
And baby I'm yours  
If you're crazy for me

A country escape  
Fine young things  
Isolophobia  
Two-timed  
I don't wanna know  
Well actually I do  
Soul reawakening  
Love is all we have

If I wanted to be yours like no one else before  
I need you to see  
That you make me crazy like no one else could be  
And baby I'm yours  
If you're crazy for me  
If I wanted to be yours like no one else before  
I need you to see  
That you make me crazy like no one else could be  
And baby I'm yours  
  
If you're crazy for me
