

Unstoppable

Social Club Misfits

Can't hold me down
I know that this is not the end
When I hit the ground, I always get up again
When all my fears are talking, and my backs against the wall
I'm still standing tall, I'm unstoppable

This one's for my kids, Lord my family Happy
And may their Dad be rich, that's a swish, that's a half-court shot
Win a mazda 6, all equipped, hoppin' out
Black on black, like I'm emo now
Granny put a cross above my bed to keep the evil out
Every knee will bow, peep the needlework
Can't you see the smile, can't you see the crown
Shhhh I can't keep it down
This a celebration, bring the Chateau Pichon out
Guess I'm Hebrew now, guess the secrets out
The boy is back. Father stretch your hands and keep eagle out
Protect my fam, that's on God
Lions trying sneak around, practice what you preach
Or you become a meme account
I know I can't do this alone, God I really need you now

Can't hold me down
I know that this is not the end
When I hit the ground, I always get up again
When all my fears are talking, and my backs against the wall
I'm still standing tall, I'm unstoppable

I'm still right here, I'm unstoppable
No fear I feel, I'm unstoppable
I'm still right here, I'm unstoppable
I'm not stopping, I'm unstoppable

And Here's for all the times I gave up midway
For listening to what my so-called friends say (remember?)
I just know I came too far to quit now
Plus I'm still hungry need 10 plates
So relax I'm back no relapse just he raps
When he hears the track his story lines up with his glory
All facts and I'm just in awe and so thankful for that
When I realized where he took me from, I cried 'cause I remember how it felt
When I ain't have none then finally see a little bit of success
But lose my grandma it's all a lesson, gotta learn to love no matter what
And we ain't on no status quo
We came to lift the status up

Can't hold me down
I know that this is not the end
When I hit the ground, I always get up again
When all my fears are talking, and my backs against the wall
I'm still standing tall, I'm unstoppable

I'm still right here, I'm unstoppable
No fear I feel, I'm unstoppable
I'm still right here, I'm unstoppable
I'm not stopping, I'm unstoppable

I'm still right here, I'm unstoppable
No fear I feel, I'm unstoppable
I'm still right here, I'm unstoppable
I'm unstoppable
I'm not stopping, I'm unstoppable
