Like an Outlaw (For You)

Social Distortion

Like an outlaw I'd lie for you I'd kick and scream and do time for you I'd rob and steal and go without meals and Terrorize this town For you-for you

Like an outlaw I'd lurk in the baddest parts of town I'd wait there for you baby Until they hunt me down For you-for you

Like an outlaw They'd put a price on my head Wanted dead or alive or painted a bloodied red For you-for you Like an outlaw I'd kill for you I'd kick and scream and hang for you I'd go inside and kick some hide and Bury a man who died For you-for you
