

Lucid Dreams

Social Repose

I still see your shadows in my room
Can't take back the love that I gave you
It's to the point where I love and I hate you
And I cannot change you so I must replace you

Easier said than done
I thought you were the one
Listening to my heart instead of my head
You found another one
But I am the better one
I won't let you forget me

You left me falling and landing inside my grave
I know that you want me dead
I take prescriptions to make me feel a-okay
I know it's all in my head
I have these lucid dreams where I can't move a thing
Thinking of you in my bed

I still see your shadows in my room
Can't take back the love that I gave you
It's to the point where I love and I hate you
And I cannot change you so I must replace you

Easier said than done
I thought you were the one
Listening to my heart instead of my head
You found another one
But I am the better one
I won't let you forget me

You were made outta plastic (fake)
I was tangled up in your drastic ways
Who knew evil girls had the prettiest face
You gave me a heart that was full of mistakes
I gave you my heart and you made heart break
(You made heart break)

You made my heart break
You made my heart ache
You made my heart break
You made my heart ache

I still see your shadows in my room
Can't take back the love that I gave you
It's to the point where I love and I hate you
And I cannot change you so I must replace you

Easier said than done
I thought you were the one
Listening to my heart instead of my head
You found another one
But I am the better one
I won't let you forget me

You made my heart break
You made my heart ache
