And break your amour and your wicked heart

Paralyzed the unbelievers  
Find the way to grab your soul  
Like a butterfly braving the storm

You never stop killing yourself when you pray  
Hell revenge with supreme content  
Sometimes it's better to get out of her way

Shooting the fire with anger and hate  
The judgement day not far from here  
Destroying your obscenity

In a world of genocide  
She gambled down with lethal tarot cards  
Destroy the sun from far beyond

Mischievous in the air, no turning back  
Goddess of war in a shape of a missile  
Living out hate, fanatic belligerence
