

Splatter Rape!

Sodoma Gomora

Butchers Harem! Sodoma Gomora!
Govern the feast, fuck you up
and eat slices of your ???, you fucking cunts!

[1 - Bushpig]
When I kill a slut, slowly eat the flesh from her pussy
Emptying my semen on the butchered limbs of her slurry
When I slice the meat rapidly, stab and stick my cock in each cavity, ??? awfully
se**** battery in her genitalium
Splattering the dead whore's flavour
Ravishing and dissecting organs I've collected
An orgy of dismemberment, I torture till the fluids of my member spit
Release secretion with my prick
Gore sex is always eminent with the death of dying muscles of her anus period
for me to drain my loin slime all over your severed head
After ovular penetration is evident, the degradation of corpses is my se**** prevalent
The necrophilic power of my cock meat is benevolent
My never-ending devourment blazing tasteless punishment
are twelve nails into your arse cheeks while I fuck your cunt
Bludgeon you, then slice you up
Leave a trail of shredded ??? guts
Chew the entrails from your caved butt
???

[Chorus - MC Mangina (2x)]
Splatter rape!
Smash your fella's mouth in your prostate
Copulate!
Violently obliterate and castrate

[2 - Řezník]
Já jsem doktor Meng, ZNK, tohle je můj gang
S Bushpigem tě rozsekáme, uvaříme z tebe bang
Gangbang na tvý bábě, Sodoma a Butchers Harem,
kunda neni k mrdu dobrá, dokud neprojde varem
Výčet všech prasáren vobsáhne až můj memoár
To, že jsem kundu svý holky používal jako pisoár
Far, far away vod zbytku celý scény
Místo freestylejch battlů čicháme dětství pleny
Moje dcera ještě ráno žrala BeBe Dobré Ráno,
cestou do školy jsme jí unesli a tedka už má nakrkáno!
Prdel vod výkalů, už tam láduju svůj žalud,
semeno tu líta vzduchem jak vod Disneyho Baloo
S postavenym čurákem vstříc novýmu jitru
Místo šprček používám papežovskou mitru
Semeno do půllitru, já jsem debil ve svym nitru,
jedu snuff porn gore, porno rap a horrorcore!

[3 - MC Mangina]
I'm a motherfucking hostess of the snuff fest
I will slay your throat and make you digest
on the mix from your anal tressages
Then I'll make you clean up the hot steamy mess like a pleasant guest
I'm in ecstasy when I'm going for the kill

I don't need to take a pill, I get high from the thrill
My ragout bitter meat served up for you to eat
I'll bring you to your knees with my slimy sea of sleaze
It's dripping out hot melting cheese
Now it's time for you to feast on debris
My cunt makes ??? mustard
With style moldy, ??? and crusted
The very mold is being crucified on lush congested custard
My Venus flytrap is gonna catch your cock with my snatch
It's a rap trap on your Quaker fat
Then you hear your penis go snap, it's detached
My cunt's on crack when I start to attack!
I give your cock a fork, then I tie you up like a hog
So you can watch me feed your severed prick to a hungry dog
My carnivorous plan enchants the cock in your hand,
you call yourself a man?
Well, it's my Venus flytrap that rules overland
and I demand worship from the species of the damned
I'm Aphrodite oozing my femininity all over this city
In space, like the plague I invade your body like a slave
and your explore my body like a landscape
??? a fucking boar, I have to masturbate
I trace your hunting comfort, I can early urinate

[4 - DeSade]

Já nejsem žádnej hip hopper, já jsem pankáč
Já nejsem žádnej MC, já jsem DeSade
Já nejsem žádnej boyfriend, já jsem bohém
ze Sodomy Gomory na collabu s Butchers Harem!
Mrdám tě samovarem, hubu napustim ti jarem
Sodoma Gomora bude darem, až ti to vypálím cigárem!
Ženu tě žárem, srazim tě fárem, bavim se kaviárem
Sodoma Gomora, Butchers Harem, chcípneš nad árem!
Řežeme ti nohy, protinožci
Lítaj šlachy v akci, máme chorý mozky
My šíříme pohlavní nemoce a nejsme žádný sobci
Mrdám pičku nebo kozy, piču nebo kozky
Jakmile je uřízneme, hodíme je do prodeje
Ó, jak krásně na tom světě je, když se dobro děje
Uřízlé kozy a píče, lížeme je
Mrdáme tě do prdele i obličeje, to jsou naše obyčeje!

[Chorus - MC Mangina (2x)]

Splatter rape!
Smash your fella's mouth in your prostate
Copulate!
Violently obliterate and castrate

[5 - Cumblood]

??? I'll break your body into two pieces, then I'll rape ya
Electronics bring your bloody clit a better flavour
It's a way of gore sex and mutilation
Open up your cunt ??? for the defecation!
Charge your decomposing flesh rot
with seven on the end on my used black cock
??? for the taste of an undressed infant
Tossed and abused while the cunt is too innocent!
Slice up her arse while my lubricated tongue is ???
I fill her mouth with my urine and her period
It's the succulent blood-laced urination
A little towards ??? scat-smeared operation
Suckles of the decomposing rancid shit while I wake gore!
Her placenta and organs are bleeding, hence the stupid necrophilic snuff por

n!

My dick is filled with the paedophilic sickness
??? teen sluts in the backyard torture
Children kidnapped and gangbanged in the coprophilic slaughter!

[Chorus – MC Mangina (4x)]

Splatter rape!
Smash your fella's mouth in your prostate
Copulate!
Violently obliterate and castrate
