Sody

Knew it was lost
When you went with your boss on your day off to Ireland
Spent rent on shots
Buyin' rounds like a god, we fell apart that weekend

I, I thought we had trust
Don't care what you did, but I know it was her

She flirts and calls you by your Sunday name
Whilst you're sippin' on those vodka lemonades
Don't lie to me, don't lie to me, I know you're lyin', babe
Yeah, you've shown me now your words mean nothin'
I guess I'll never know what happened in Dublin

I hold my mistakes
I was no saint, but I was always honest
Much to your dismay
You hid yours away and you broke our promise

I, I thought we had trust
Don't care what you did, but I know it was her

She flirts and calls you by your Sunday name
Whilst you're sippin' on those vodka lemonades
Don't lie to me, don't lie to me, I know you're lyin', babe
Yeah, you've shown me now your words mean nothin'
I guess I'll never know what happened in Dublin

Don't lie to me, don't lie to me, I know you're lyin', babe
Yeah, you've shown me now your words mean nothin'
I guess I'll never know what happened in Dublin
I guess I'll never know what happened in Dublin
