

**Sorry**

## Sody

There's a fire in my heart  
And it's killing what we could be  
We've been something from the start  
Something from the start  
And there's a vision in my head  
Is this real or just a fantasy?  
Don't want to lay down all my cards  
Lay down all my cards

Though you're running through my veins  
I'm running from the pain  
Maybe this is midnight love  
But no matter what you say  
You're gonna have to wait

I'm sorry that you love me  
Sorry, I don't have the time  
I'm sorry that you need me  
But you'll always be mine  
I'm sorry that you want me  
I can't help it but it's true  
I'll tell you why in another life  
Sorry, that I don't love you

There's a passion in your vibe  
But goodbye was always hard for you  
I can see it in your eyes  
See it in your eyes  
And don't be what you don't want to be  
Cause you can't have what you can't get from me  
All I wanted was to talk  
But you kept me in the dark

Though you're running through my veins  
I'm running from the pain  
Maybe this is midnight love  
But no matter what you say  
You're gonna have to wait

I'm sorry that you love me  
Sorry, I don't have the time  
I'm sorry that you need me, need me  
But you'll always be mine  
I'm sorry that you want me  
I can't help it but it's true  
I'll tell you why in another life  
Sorry, I don't love you

[illegible]

I'm sorry that you love me  
Sorry, I don't have the time  
I'm sorry that you need me, need me  
But you'll always be mine  
I'm sorry that you want me  
I can't help it but it's true (love me, love me)  
I'll tell you why in another life  
Sorry, I don't love you  
Love me, love me  
I can't help it but it's true  
I'll tell you why in another life  
Sorry, that I don't love you
