Ice for all of my dawgs (Ice)
We was just playin' in the yard
Then we just turn this shit up
Then we just took this shit far
(Didn't come to play no motherfuckin' games, 2Ezzy on some other shit, ice)

Ice for all of my dawgs (Ice)
We was just playin' in the yard
And then we got this shit lit (Lit)
We took that shit to the stars (Damn)
I'm smokin' dope on Mars (Damn)
Geekin' in, I ain't pop me no bar
Yeah, she freaky, she actin' a fool (She fool)
Her shit stinkin', I hop in the car
Shop at Neiman's, I used to rock GAP
No, I don't need no pat on no back (Back, like)
No, her ass is not fat, that shit fact (Yeah)
Tell lil' mama, "Sit back on my lap" (Let's do it)
I can't do shit for you without tax
I won't move, no, I won't face a crack
Oh, he tweakin' like he is off crack
Most not know Lil 'Go the quarterback (Yeah, woo)
All my niggas run off with that sack (Sack)
With the bros, I'ma keep it a stack (Yeah)
We can't let none of these niggas hijack
(I can't let none you niggas do that)
Ain't no re-routin', ain't no retract
Every thing I say facts, no cap
Get your shit packed up, it's wraps (Yeah)

Ice for all of my dawgs (Woop)
We was just playin' in the yard (Soo)
Then we just turn this shit up
Then we just took this shit far
Ice for all of my dawgs
We was just playin' in the yard (Yeah)
We was just playin' in the yard (Yeah)

'Member when life was just hard
You ain't get nowhere just thinkin' it's comin', man, you gotta have you some heart (You just gotta have heart)
Every thing I say just hit on the nose, them young niggas playin' them darts (Skrtrt)
Every thing I say just hit on the nose, them young niggas playin' them darts (Baow, yeah)

Ice for all the day ones
Who was there when we had us? (Nobody)
Who was there when we had us? (Nobody)
Who was there when we had us? (Yeah)
I'm tryna make this shit, yeah (Yeah)

I'm tryna make this shit, yeah (Yeah)
I'm tryna make this shit
Ice for all of my dawgs (Woo, woo)
Ice for all of my dawgs (Woo, woo)
Ice for all of my dawgs (Woo, woo)
Ice for all of my dawgs (Woo, woo)
