SoFaygo

Roll me up another one, I'm 'bout to do another one
Exotic gas up in my blunt, you know I'm ready to smoke sum'
(Yeah, yeah, yeah, yeah)
No this shit not stoppin' but the paper, I'ma top sum'
(Yeah, yeah, yeah, yeah)
It's just so ironic how I started from the bottom

I can tell that you gon' fold on me
Been knew 'bout you, my O.G tells me how it goes (Shit)
But I just kick back, rollin' on that dope (Keep on rollin' shit)
I just came through left em' with no hope
Skr, swerving woulda thought you seen a ghost
Damn, I just put my neck and wrist on froze
Shit, choices I was making on my own (Yeah)
Voices tell me, "Keep my grass low" (Yeah-yeah)
Yeah, what you know about that fast dough?
Plenty cash flow, that's what I'm on
That's what I like, It's been on my mind (Mind)
I'm covered in ice, yeah, the stars are aligned
I won't tell you twice

Roll me up another one, I'm 'bout to do another one
Exotic gas up in my blunt, you know I'm ready to smoke sum'
(Yeah, yeah, yeah, yeah)
No this shit not stoppin' but the paper, I'ma top sum'
(Yeah, yeah, yeah, yeah)
It's just so ironic how I started from the bottom

Roll me up a-, roll me up a-, roll me up a-, roll me up a-
Ain't shit, ain't shit, ain't shit, ain't shit
Roll me up a-, roll me up a-, roll me up a-, roll me up a-
Blood shots

I'm 'bout to do another one
Exotic gas up in my blunt
You know I'm ready to smoke sum'
(Yeah, yeah, yeah, yeah)
No this shit not stoppin' but the paper, I'ma top sum'
(Yeah, yeah, yeah, yeah)
It's just so ironic how I started from the bottom
