

# Devil Fruit

SoFaygo

Let's go Faygo

Stop right there, baby stop right there  
Rushing that lil boy, now that lil boy he so scared  
I be straight flexing like I just don't care  
Why he talking like a shooter but he shooting in the air?  
I got shooter for your shooters if your shooters even dare  
That hoe wanna be my wife so I took her to the evil lair  
My fur coat come from the bears, they say Faygo get in there  
I got hella time on my hands, I make that 45 split your hair  
That chop chop chop, no devil fruit  
I gotta keep my metal too  
In cause they wanna get hectic, ooh  
Wipe that boy no metal yeah  
No no I can't shed a tear  
Lil nigga better stay on your level  
How you get that boy I can't tell you  
Gotta get to the bag man I gotta get the racks  
Gotta big bag when I walk in Saks  
These niggas broke and it make me laugh  
[?] and I bet he won't last  
I'm a turn that boy to ash  
I'm a smoke just like reefer  
They say that lil nigga wanna be you  
I'm Chief Runna it's nice to meet you  
I bet you had an idea  
Slime I'm off the meter  
Lil Faygo can't see you  
Spend the bag, get it back, repeat it  
Runna we gon eat it  
Get some money, lil bro you need it  
Give him hell but I'm no demon  
This codeine really got me dreaming  
She said I like the way you look  
Really hard just like a book  
She tryna get her soul took  
I'm tryna run me up them racks  
Tell that lil boy take it back  
You know that toolie stick go blatt, yeah  
These Air Force One not the Air Max  
Don't DM me if you wanna work  
Nigga mad at me cause I wanna tax  
I'm smoking on gas yeah not no blacks  
If he bugging then he get past  
Wipe that lil boy nose for free  
I slime you out for my lil slatt, no  
We not doing that  
Name a rapper who sound like me  
I know you can't cause I'm unique  
Nigga that's my sound, wanna be like me  
Wanna work then cop a feat  
I know they watching over me  
[?] in me  
Don't fear nobody go chase your dreams  
Go get that cheese, go get that cheese  
Young nigga broke and wanna feat, [?]  
She want a young nigga like me [?]

Everybody got to ducking when I turn that beam on
