SoFaygo

You livin' lavish, nigga?

I stick to myself (Woo)
Bitch, I came from nothing, I don't need nun' else
Been in that bag, you know that I need it right now (Need)
Know that I need it right now (Need)
Know that I need it right now (Need, yeah, ooh)
Do you understand what I mean right now?
Poppin' out on the scene right now
Poppin' out on the scene right now (Mean right now)
Uh-huh, people be all on that extra shit
But I be really chillin', pipe down
But I be really chillin', pipe down

I'm a magician, I'm good with the hands (Yeah)
Fuck a Bob, I might pull off in the Lamb' (Skrrt)
Fuck a job, nigga, I chose to go ham (Yeah)
These niggas watchin' lil' 'Go from the screen (Woah)
Mm, I'm up
Don't need a bean (Yeah)
Mm, let's go, let's go to the moon (Ooh)
Mm, watch out, watch out, make room (Yeah, woo)
I got the key to coupe (To go)
On stage, I'm actin' a fool
Get on stage and I make it a trip
Skinny jeans and they got on some rips (Yeah)
My fans love me, I'm takin' they pics
They so on me, I got me some kicks
When I'm lonely, I take me some flicks
Niggas watchin', they be on my dick
Like bamboo, I got' keep me that stick (You livin' lavish, nigga? Fah, fah, fah)
I'm livin' lavish, for real
I'm on the lavish, for real
I'm on the gas, for real
I'm on that motherfuckin' gas (Gas)
Diamonds shinin' with no flash (G'yea)
Lil' nigga, stay mad (Nigga, stay mad)
Lil' niggas, they all mad (Blah)

I stick to myself (Woo)
Bitch, I came from nothing, I don't need nun' else
Been in that bag, you know that I need it right now (Need)
Know that I need it right now (Need)
Know that I need it right now (Need, yeah, ooh)
Do you understand what I mean right now?
Poppin' out on the scene right now
Poppin' out on the scene right now (Mean right now)
Uh-huh, people be all on that extra shit
But I be really chillin', pipe down
But I be really chillin', pipe down

I'm chillin', I'm chillin', I'm chillin', I'm chillin'
Pipe down
I'm chillin', I'm chillin', I'm chillin', I'm chillin'
Pipe down
I'm chillin', I'm chillin', I'm chillin', I'm chillin', I'm

Pipe down
