

Forever

SoFaygo

When all this ends who gon' say (Zetra)
It's alright to be yourself
You know, one day I was talkin' to myself (Yeah, yeah)
I was like

Have you ever failed? I said, "Never"
I just wanna live this life forever
I just gotta get my shit together
Put on my chain and change the weather
Niggas was hatin' on me, I remember forever
I know this, I peeped it, I know this
When you're under pressure you're foldin'
You don't know what this is and then go away
You better make your mind up 'cause time's goin'

How you hated me 'cause you ain't catch up? (Yeah)
Takin' flights so I cannot rest up (Yeah)
Back to back to back payments (Yeah)
This is just how the game is (Yeah)
It was under their heads when I came in
(I was under their heads with my gang, yeah)
Nigga, who the fuck they meant?
Not none of them niggas, they all lame
Shawty keep tryna pick brain
Slap her on the ass, tame
I'm a dawg, Great Dane
Play like Ace of Spades (Bitch)
Run around the spot like it's a maze (Yeah)
Feel like I'm just goin' through a phase

You know how it get when you lit (Yeah)
Niggas wanna start with the cap
Point them niggas out, where they ay?
You know all my niggas on ass
You know what I smoke, that gas
Champagne all up in the glass
Why this feelin' never ever last?
Why you gotta go so fast?

Have you ever failed? I said, "Never"
I just wanna live this life forever
I just gotta get my shit together
Put on my chain and change the weather
Niggas was hatin' on me, I remember forever
I know this, I peeped it, I know this
When you're under pressure you're foldin'
You don't know what this is and then go away
You better make your mind up 'cause time's goin'

(Grirt, grirt, grirt)
Oh (Grirt)
We so proud of you, man
It's just, the sky's the limit for you
So achieve and accomplish all that you can
God has blessed you this far
And he's got some more in store for you
Alright? Love you, we miss you
