

Hate When It Rains

SoFaygo

Doo-doo-doo-doo-doo

I said that I want it, you ready or not? (Yeah)

I want it, you ready or not? (Yeah)

Okay, I want it, you ready or not? (Yeah)

Soon as it rains, she hitting my line and saying she wanna come over

(Girl, don't play games), I feel no sympathy for you, girl, it could be over

In two seconds, you ain't seen when I sent you that message

She got on her knees like she gon' bless me and I feel when you hurt and I get it

And I know that she wanna know, she wanna know, she wanna know what's up with me

And I wanna know, I wanna know, I wanna know what's up with her

I swear to God we both know that we're no good for each other

And I hate when she get drunk 'cause she show her true colors

Hold on, wait (Yeah)

Baby girl, what is you talking 'bout? (Yeah)

Get to fussing and you get to walking out

I know you loved it when I used to put it down

I remember that ho used to dub me

I can't fuck on that bitch, she a fan now

Tell my mom I got fans and they love me

And I know that I'm making her so proud

The itsy-bitsy spider wanna go up on the water spout

And as soon as it rained, it always washed the spider out

Soon as it rains, she hitting my line and saying she wanna come over

(Girl, don't play games), I feel no sympathy for you, girl, it could be over

In two seconds, you ain't seen when I sent you that message

She got on her knees like she gon' bless me and I feel when you hurt and I get it

And I know that she wanna know, she wanna know, she wanna know what's up with me

And I wanna know, I wanna know, I wanna know what's up with her

I swear to God we both know that we're no good for each other

And I hate when she get drunk 'cause she show her true colors

She wanna know, she wanna know, she wanna know what's up with me

I wanna know, I wanna know, I wanna know what's up with her

I swear to God we both know that we're no good for each other

And I hate when she get drunk 'cause she show her true colors
