

I don't need nobody-ody
Fuck everybody-ody here, woah
If it ain't real up I don't want here body-ody here
Ain't nothin' sweet over here lil nigga don't try me, try me, huh ok
And I can take the truth why is lyin' to my
(We missed you Faygo)
(Y2? Is that you?), fire
I don't even wanna talk, woah
(2ezzy on some other shit)
I don't need nobody-ody else, do it!
Yeah, blatt

I don't even wanna talk, woah
Ain't gon' let a demon walk, woah
I could never let a nigga slide on me again, he ain't finna walk, woah
I turn hell every time that lil nigga green, cause they wanna talk, woah
Put a smile on my face, oh no that's why I had to work shows (It is free, ye
ah, yeah)

And I got fake friends (Blick, blick)
They got love for this potential that's why I make friends (Yeah)
You said you hidin', and you slidin', well okay friend
Where was you at when I got caught up in that deep end
I don't need nobody-ody
Fuck everybody-ody here, woah
If it ain't real love I don't want her body-ody here
Ain't nothin' sweet over here lil nigga don't try me, try me, huh ok
And I can take the truth why is you lyin' to my face
Nigga wanna hate
You cross the line I swear to god, lil nigga gon' feel my pain
And I'm like ISO
A hunnid thousand in my bank
Nigga try Faygo today
He ain't gon' drift away

I don't even wanna talk, woah
Ain't gon' let a demon walk, woah
I could never let a nigga slide on me again, he ain't finna walk, woah
I turn hell every time that lil nigga green, cause they wanna talk, woah
Put a smile on my face, oh no that's why I had to work shows (It is free, ye
ah, yeah)
