

Feel like Jet Li when I kick shit, uh
Speaker Knockerz when I mix it up
Leave a nigga in the ditch, uh
She told me, "Give me your heart, let me fix it," uh
I told her, "Never, baby, I can't love..."

We missed you, Faygo
Oh my God, it's Toonz

Something ain't real (Okay), no, I can't chill (Yeah)

'Cause we got real ties with them shooters on the south side
