

Lets Go Faygo !!

SoFaygo

I got my fucking lil bro with me, (ahaha) on God
Finish talking what u talkin' bout bro

They screamin' let's go faygo, (blah)
Glock fully loaded
My pockets bloated, feel like I'm floating, (aye)
I can't control this, all of this weight I'm holding
I resist my emotions, you only need me the most when- (skrtrt)

I swear you noticed, I bet you know this
That Lil Faygo he do not fuck with non his old shit
But now I'm fly, and you know why, I got that pole shit, (Slat)
I got that Glock, I got that fye, don't get yo soul split, (Blah)
I got that Glock, and it go "blah" on who you came with, (Yeah, Yeah)

And she just mad cause she a thot and that she nameless, (Go)
When I be posted with yo bae, I know you hate it, (Na, na, na)
Like ha, ha, ha you mad or nah, but I'm so shameless, (Ha, ha, ha)

I'ma pull up on you with the K now (blah), what you say now
Put that ass up and that face down, got that tool that make a n
igga lay down

Don't leave no stick up, this a chase now
Boy get them bricks ups, get the cake now
Toolie' got hiccups don't make it spray now
Don't gotta scream free DK now

Yeah my boy back home, I'ma put him on, (Let's go faygo)
I thought I was always right when I was in the wrong, (Ok I'm wrong)

Why you wanna come in now, I told you leave me alone, (Leave me alone)

You don't wanna tweak with me this choppa sing a song, (La, la, la, la, la, la)

Asian lil bad bitch with me, I think she from Taiwan, (She from Taiwan)

Can't wait till I'm able to take care of my mom, (I love my mom)

I may be far from home babe but I won't be long, (I won't be long)

If you wanna hit my voice babe then take that call, (Take that phone call)

Choppa melodies, I'm singing "La-la-la-la", (La, la, la)

If you not given top baby, "blah-blah-blah", (Not tryna talk)

If she wanna come over, I'm like ok right now, (Go)

She said if your mine I'ma need all your time

But she got me fucked up, and she think that I think it's fine, (Blah)

Said I don't even bleed no more I pour out purple sprite, (Skah
)
These niggas need to leave me alone unless they paper right
Never thought I seen the day you go left and I go right, (Yeah,
you know)

Yeah, you know, oh
Yeah, you know, oh
Yeah, you know, oh
Oh, Let's go Faygo
