Chrome for the day (Yeah), stones on my neck (Yeah)
I just left the bank, uh, I might let it rain
I might touch the clouds, uh, 'fore I hit the plane (Yeah)
Yes, I'm in love with the- (Yeah), yes, I'm in love with the Mary Jane
I'ma just put it on, I'ma get fly, yeah, the airway
I'm finna go sky like an airplane, I been kickin' my shit like a sensei (Yeah)
Which one are we swervin'? Which one we gon' get today? You know this money is minute made (Minute made)

Diamonds yellow like lemonade (Yeah)

But it's a lot on my plate, babe
Say what you finna say, baby
Knot your hair okay, baby, but I probably could upgrade your face, baby
I could do it, I could make a lil' bitch lose it
Got the type of bankroll on me make a humble bitch go bougie
I got water stones, they just gave me powers, wet a loose-leaf
I just hit that with a two piece, slide like Toosie in a two-seat (Woah)
Yeah, yeah, yeah
Baby, I'm not worried 'bout you (Yeah)
It's time to get out of my hair (Yeah)
You know that life is not fair (Yeah)

We was little league, now we goin' major (Yeah)
