

No Hook

SoFaygo

That baby glowin and her potential showing
You say that I can't trust you, baby you gone have to show me
The same bitch that you trust gone turn around and fuck ya homi
e
And I will never chase no hoe, no shorty you don't own me
(Ayy, ayy, ayy, that's that nigga Ayebandits)

Imma fuck that thot, kick her right back up out my spot
Don't run up on Ayebandits, 'cause Ayebandits got that Glock
I'm sippin' on that Henny, 'cause I don't sip that wock
I got them.223s for them motherfuckin' opps, for them motherfuc
kin' cops Nigga, we don't fuck with 12
Shouts out to my nigga God, nigga we don't fuck with hell
If you got chained by the cops
Just stay ten toes, don't you tell, just stay ten toes don't yo
u squeal
Real niggas prevail
For these posin' ass niggas, they won't really pull the trigger
They don't really counterfeits
They don't really fuck them bitches
They don't really got them whips
They don't really tote them sticks
They not really with the shits
Know bandits really with it

No you not with the shits
You gone squeal just like a bitch
On that road to gettin' rich
I hit shorty with that dick
Now she fell in love with neezy, and she comin back like "pleas
e me!"
I ain't got no competition cause ya'll make it way too easy
I need a bust down, bust down rollie, need that freezy
I fell in love with Nina, and I love the way she treats me
Man that cheap talk is comin', baby come get you a real one
She choosin' and that ain't even my bitch, and know I still won
How you found out that I'm not gone stop till I hit a million
That same nigga that you call yo' bro gone try to kill ya
I can see that baby glowin and her potential showing
You say that I can't trust you, baby you gone have to show me
The same bitch that you trust gone turn around and fuck ya homi
e
And I will never chase no hoe, no shorty you don't own me
No way, no how, won't chase you down
Pockets so fat and my wrists on bling blaow
I need hundreds right now
