

# One Up!

SoFaygo

I wanna apologize  
I wanna apologize  
You not my wife so, lil' ho, move  
Yeah, yeah

Hundred killers, hundred robbers  
Hundred bitches, hundred thotties  
Shutting down the whole party  
One hundred bad hoes in the lobby  
I had to one up on you  
Tell that lil' fuck nigga we not cool  
Getting this money, no, it's not new  
All in the function with my tool  
Pull up to his house, gonna take his loot  
That lil' nigga, he scared, he spooked  
I got a blick on my side  
Don't trust me, baby, I'm too rude  
She think I'm that guy  
You not my wife so, lil' ho, move  
I wanna apologize  
My lil' heart ain't got no room

Running 'round with a thot  
No one tell me I was dumb  
She wanna take the pain away  
They tell me I shouldn't assume  
And choppa gon' blow your face away, aye  
I was [?] today  
Play with lil' Faygo, I call up DK, aye  
He gon' pull up ándale  
So many bitches, I hate to choose  
You not me, nigga, I'm not you  
Mama told me not to play with my food  
We gon' put him on a plate and chew  
[?] take the loot  
I wanna cop a lil' Bentley Coupe  
I get them niggas that'll break your tooth  
I don't love you, hate to break it to you  
And we all up on yo block  
Shake something, shake something, lil' bitch  
This ain't gon' ever ever stop  
'Cause Faygo always dropping hits  
Taking the pack like a pic, yeah  
We finna run a lil' blitz  
Scared ass boy not talking 'bout shit, yeah  
He looking like a lick (Let's go Faygo)
