Real from the fake
Truth from the lies
(Ayy, Woods, light that shit up)

I don't know the reason why these niggas wanna hate on me
I'm an alien, bae, I don't even wanna mate
I don't even like to fake kick, she don't even wanna face it
Rackies to that bitch she basic
You've been feeling yourself (Hey)

And I don't blame you, oh
I move by myself, rely on myself
Pop my shit, nigga, hate get dealt
I just wanna know the (Whoa)
Real from the fake
Truth from the lies
Mama raised a star, but this shit came with a price

Motion, boy, who the fuck I'm movin' oceans for?
No one, boy, who the fuck, you think I'm Moses, boy?
Fuck, I don't even wanna greet these niggas
Shit, I don't even wanna see these bitches
(Let's go)
But I can really see the
(Let's go)
Daemon in the wind, she knows
You got some money for her
(Run, she gon', she gon' run)
Now watch how fast that lil' ho goes (Hey)

And I don't blame you, oh
I move by myself, rely on myself
Pop my shit, nigga, hate get dealt
I just wanna know the (Whoa)
Real from the fake
Truth from the lies
Mama raised a star, but this shit came with a price

Ocean girl, dive up in your fucking ocean
Slow down, baby, you know that I'm fucking loaded
Gas bag all up in my fucking system
I be all the way on Mars, I can't even hear 'em
Think I know the reason why these niggas wanna hate on me
I'm an alien, bae, I don't even wanna mate
I don't even like to fake kick
These niggas really shape-shift
These niggas really change so you gotta watch your back

And I don't blame you, oh
I move by myself, rely on myself
Pop my shit, nigga, hate get dealt
I just wanna know the (Whoa)
Real from the fake
Truth from the lies
Mama raised a star, but this shit came with a price

Real from the fake

Truth from the lies
Mama raised a a star, but this shit came with a price
