

SHOTTA FREESTYLE

SoFaygo

I had to confront all my problems (Yeah, yeah)
And if I said it, I meant it, you know that forever I got you (Yeah, yeah)
Speedin' on a highway, (Skrirt, skrirt)
And I fire this shit up and I pass it to bro 'cause you know that's my shotta (Shotta)
I'm enjoying the cycles, this shit don't come easy (No)
I put some VVS all on my teeth 'cause I feel like I'm Wheezy (Feel like I'm— woah)
Baby just wanna get down on her knees, 'cause she know she won't please me
She's a runner girl at night, in the morning she praying to Jesus (Yeah)

Rip my heart, you tore my chest in pieces (Yeah)
I just been fightin' demons (Yeah)
I just been fightin' demons (Yeah)
Look to the right, they scream (Grrah)
Look to the left, they scheme
Went up so high, like I'm dreaming
I kill 'em, like fuck do you mean? (Yeah, woah, woah)
And I'm leavin' a mess on the scene (Ha, ah)
I done been in this motherfuckin' bag
So when did I come and I sting?
See lil' baby, she havin' that (Woah)
I might put that lil' bitch in a Range (Woah)
No, she not no regular team
I might beat it like I got to swing

That money, that money so green
Blue hunnids so motherfucking blue
I swear, I'm so motherfuckin' through
I think about what I could do
I'm plottin' shit and you could too
I swear, they couldn't fit in my shoes
To win this shit, you gotta lose (Hah)

I had to confront all my problems (Yeah)
And if I said it, I meant it, you know that forever I got you (Yeah, yeah)
Speedin' on a highway, (Skrirt, skrirt)
