

Talm Bout

SoFaygo

That's what I thought you said
Now let me offer this as a rebuttal

Fuck nigga ain't talm bout nun (Let's go)
My best friend and my gun
Can't put no trust in nun (Bitch)
I'm leavin' out with one (Let's go)
He mad that boy can't stunt (Can't stunt)
Two choppas he gon' run
That OG in my lungs (Yeah, yeah)
I like to stash my blunt (Yeah)
I like to fuck these ho (Slatt)
She looked at me she choke (Woah)
And that just how it go (Shit)
I know you mad I know (Okay)
I know you mad you broke (Shit)
Lil nigga not gettin' no dough (Let's Go)
And I'm silent as a poe (Yeah, bitch)
Ain't stressin' bout these lil hoes

Yeah
Wake up, like I wake up everyday (Let's go)
Yeah, look at my pack like how much I'ma make today (Let's go)
Yeah, look at my chop like which one I'ma shoot today (Shit)
Yeah, she say she love me that's like one flag on the plate (Okay)
Yeah, tell that shawty get back choppa got a kickback (Okay)
These lil nigga bite flow, can I get my shit back? (No cap)
I just took yo pack boy you ain't really need that (Okay)
One at the top just 'case I need to blow your wig back (Woo)
I can't never trust no bitch with a handout
Man duck, nigga stand down 'for you get blamed out (No cap)
Man down, its a man down that means he dead now (Let's go)
You talkin' down ho suck my dick 'cause I'm the fuckin' man now (Let's go)
Ever since I was like three man I will always stand out (Stand out)
When shawty hear me rappin' make her wanna leave her wanna man now (Man now)
If I couldn't trust you before what make you think I can now (Yeah)
I'm seventeen and I make grown bitches drop they pants down (Shit)

Fuck nigga ain't talm bout nun (Let's go)
My best friend and my gun
