

## Yeager

SoFaygo

Don't be not social  
Y2, is that you?  
Ahahaha  
Woo

[?] I'm playing with that chopper (Brirt, fah)  
If that pussy boy play with me then he gon' need a doctor (Woah  
)  
The way you suck my dick lil' mama, I think your goddamn mouth  
a monster (Yeah)  
Eating me up like steak, crack that nigga head like a goddamn l  
obster  
You know that we gon' slide, yeah  
She down to ride, yeah  
Like, please choose your side, ayy  
And every at opp, we gon' fire, ayy  
Let this [?] die, don't be surprised  
Living life like this, I promise God we'll be alright  
You fell in love with a slime (Woah)  
(Down, go down)  
Dissin' all my feelings, okay bitch, I wasn't up with you  
(Down, go down, down, yeah)  
And you got my heart breaking, swear to God I pour this cup for  
you  
When it came to you, girl, I wasn't playing (No)  
I pull up ándale  
Where he stand is where he'll lay today  
Might pull up in that coupe, you know I do the dash (Skrirt, skr  
rt)  
What the fuck you talking 'bout, nigga, you not talking cash (N  
o, no, no, no, light it up)  
No, and I cannot go out sad (Woo, woo)  
Who the fuck you talking to, lil' nigga, I'm your dad (Yeah, ye  
ah)  
And I know they mad, yeah  
Better catch up fast, yeah  
Leave a nigga in the past, yeah  
And I'm ready to do that, do that, okay, yeah  
I'm smoking on that dro  
Burn it up, smoke gas if I feel low  
Had to tell that girl to let me go  
Last time I fall for her  
Better pack up all your shit because this love cannot go on  
How the fuck you switching over sides?  
I had to get up, get mine  
And baby, you know this for sure  
He better duck, better lay low  
Baby said, "Let's go, Faygo"

I cannot crash over no ho  
Baby girl, listen, I'm telling no lies, alright
