

Cafuné

Sofi Tukker

Cafuné, cafuné, cafuné

I've never had nobody run their fingers through my hair like this before
You can't even translate this type of shit
It's you have to use Portuguese to say it, you know
It's crazy, shit
Yeah about to take off, yeah
Cafuné, yeah yeah cafuné

Melhor que caqui que café
Acaba o cansaço o medo
Melhor que caqui que café
Cafuné, cafuné, cafuné, yeah

Ooooo
Cafuné, cafuné, cafuné
Run your fingers through my hair
Samba playing in my head
When the night ends it's OK
Roll over that's what you say
Cafuné, cafuné, cafuné
Cafuné, cafuné, cafuné

Drop drop drop drop
Yeah drop drop drop drop
Drop drop drop drop
Yeah, cafuné, cafuné, cafuné

Cafuné, is that how you say it Sophie, cafuné?

On a red eye flight to South America
Looking in your eyes, you got my acting up
Bring your body closer, so I can feel your touch
Cafuné, cafuné, cafuné
Don't want no love, only the sex
Let me get
Closer to you, before the next is moving in
She speak Portuguese while on her knees
She got me running to the bank
Forget what the others say, cafuné

Dos cabelos ao dedo do pé
Agora é o que mais quero
Dos cabelos ao dedo do pé
Cafuné, cafuné, cafuné

Run your fingers through my hair
Samba playing in my head
When the night ends it's OK
Roll over that's what you say
Cafuné, cafuné, cafuné

Adivinha o que é o que é
Suas mãos no meu cabelo
Adivinha o que é o que é
Cafuné, cafuné, cafuné

Cafuné, cafuné, cafuné
Cafuné, cafuné, cafuné

Ay they got Channel Tres on this bitch
Cafuné, cafuné, cafuné
Cafuné, cafuné, cafuné

Yeah, yeah, yeah, yeah,
Yeah girl come over, closer
Cafuné, cafuné, cafuné
