

Purple Hat

Sofi Tukker

Purple hat
Cheetah print
Dancing on the people
Rolled up at the after joint
Dancing dancing on the people
People dancing on the people
I got people on the people
People dancing on the people
With the people on the people

Smoke and CO2
See me see you
Dancing on the people
Climb up on the booth
Hanging from the people
On the people
My head hits the roof
Dancing on the ceiling on the people
I got people on the people
