

Throw Some Ass

Sofi Tukker

Hey Doctor
Can you give me something stronger?
I've tried everything you offered
But I'm still in pain
I've spent money
I tried cortisone and honey
Last night I got lucky
I think I figured out a way

It feels so good to
Throw some ass
Turn it round, can you make it clap?
Give the old man a heart attack
Free your mind when you throw it back
It feels so good to
Throw some ass free the mind
It feels so good to

Sabe que eu subo que eu desco
Rebolando lento
E que eu não sou de cansar
Sabe que eu faço e aconteço
Te pego e te enrolo
Até você se apaixonar
Baby, meu popô é grande
E eu sou generosa
Não dá pra ser só de um
A tropa toda quer meu bumbum

Bum, bum, bumbum balançando
Jogo violento pros cria que tão passando
Faço um movimento e você vem no meu comando
Joga, joga, sei que você gosta, gosta

It feels so good to
Throw some ass
Turn it round, can you make it clap?
Give the old man a heart attack
Free your mind when you throw it back
It feels so good to

Throw some ass throw it down
Joga bunda hit the ground
Throw some ass throw it back
Joga bunda make it clap
Throw some ass throw it down
Joga bunda hit the ground
Throw some ass throw it back
It feels so good to

Throw some ass throw it down
Joga bunda hit the ground
Throw some ass throw it back
Joga bunda make it clap
Throw some ass throw it down
Joga bunda hit the ground
Throw some ass throw it back

It feels so good

Throw some ass ass down
Joga throw some ass down
Throw some ass ass back
It feels so good to

Throw some ass ass down
Joga throw some ass down
Throw some ass ass back
Joga throw some ass back
Joga throw some ass down
Throw some ass ass down
Joga throw some ass back
It feels so good to
