

Do You Love Me

Sofia Camara

Another stupid party that I know I'm gonna leave by myself
You got my second guessing I've been stressin' and it's bad for my health

But you say at the right things
Put your hands on my face (oh)
I'm yours
I'm giving my whole heart
But you're only givin' half of yours

I've been try a figure it out (yuh)
Do you love me
Do you, do you
I'm so tired of waiting around (yuh)
Do you love me
Do you, do you love me
You say we're friends
Then call me at 2 am
Can't get you out of my head, no
I've been tryna figure it out (yuh)
Do you love me
Do you, do you love me

Take me up to heaven then you leave me and it hurt like hell
Tell me why you only come around me when you need me help

But you say at the right things
Put your hands on my face (oh)
I'm yours
I'm giving my whole heart
But you're only givin' half of yours

I've been try a figure it out (yuh)
Do you love me
Do you, do you
I'm so tired of waiting around (yuh)
Do you love me
Do you, do you love me
You say we're friends
Then call me at 2 am
Can't get you out of my head, no
I've been tryna figure it out (yuh)
Do you love me
Do you, do you love me

Do you love me
Do you, do you love me
Do you love me
Do you, do you love me

Tell me that you love me back
Hold me close or just let me go
And tell me that you love me back
Hold me close or leave me alone

I've been tryna figure it out
Do you love me
Do you love me

Waiting around
Do you love me
Do you love me

You say we're friends
Then call me at 2 am
Can't get you out of my head, no
I've been tryna figure it out
Do you love me
Do you, do you love me...
