

# Here We Go Again

Sofia Camara

We could run away, pick a place, and we'll go  
On your darkest days, I will carry you back and forth  
Till we end up in circles in a world away from home

We're three words away from us saving what's left  
But we're one more mistake, and it's over  
So much for all of the promises kept, baby  
We did our best to find closure

Here we go  
Here we go again  
We're running to  
We're running towards the end  
It's inevitable  
Love doesn't always go as planned

Here we go  
Here we go again  
We're running to  
We're running towards the end  
It's inevitable  
Love doesn't always go as planned

I couldn't wait, didn't wanna lose what we had  
And watch as we fade away, it's taking everything I have  
Now we're stuck in the middle, broken and in half

We're three words away from us saving what's left  
But we're one more mistake, and it's over  
So much for all of the promises kept, baby  
We did our best to find closure

Here we go  
Here we go again  
We're running to  
We're running towards the end  
It's inevitable  
Love doesn't always go as planned

Here we go  
Here we go again  
We're running to  
We're running towards the end  
It's inevitable  
Love doesn't always go as planned  
Oh, oh

Here we go  
Here we go again  
We're running to  
We're running towards the end  
It's inevitable  
Love doesn't always go as planned
