

Myself

Sofia Camara

You know me better than I know myself
And I hate that feeling
You're the person that I want around
Like all the time

I'm feeling so dumb da dumb dumb yeah
'Cause I've been in love since we were seventeen
You're the air I need
And holding it in could be the death of me

Taking my heart right off of my sleeve, and now
Pushing it down and you'll never find out
Bury my love six feet under ground
I keep how I feel to myself
I'm telling myself that it's for the best though
Skip to the end and fuck all the false hope
If we never try then we'll always stay close
I keep how I feel to myself

Yeah oh oh
I keep how I feel to myself
Oh oh oh
I keep how I feel to myself

When you think about the future now
Do you see me in it?
'Cause that's the only thing I'm thinking 'bout
And it's got me feeling

Dumb da dumb dumb yeah
'Cause I've been in love since we were seventeen
You're the air I need
And holding it in could be the death of me

Taking my heart right off of my sleeve, and now
Pushing it down and you'll never find out
Bury my love six feet under ground
I keep how I feel to myself
I'm telling myself that it's for the best though
Skip to the end and fuck all the false hope
If we never try then we'll always stay close
I keep how I feel to myself

Yeah oh oh
I keep how I feel to myself
Oh oh oh
I keep how I feel to myself
Oh no
I keep how I feel to myself
Yeah
I keep how I feel to myself

Taking my heart right off of my sleeve, and now
Pushing it down and you'll never find out
Bury my love six feet under ground
I keep how I feel to myself
