

Said It All

Sofia Camara

You, you were my whole world
Now you're not even in it anymore
Whoa, you, you took the best part
I don't remember who I was before

You gave me love notes and false hopes
Thought we were so close
Spinning out of control
Like, baby, whoa
Damn, it's kinda sad though
But I gotta let you go
Lose your number from my phone

'Cause you're not the one that I call
When I'm breaking down and I need someone
You're not the one that I call
When I'm losing sleep, barely holding on
I pick it up, and I put it down
Because I know you're only gonna let me down, no
You're not the one that I call
'Cause we already said it all

I, I guess this whole time we were only making memories
Only making memories
When we, we said forever
We didn't know what forever really means

You gave me love notes and false hopes
Thought we were so close
Spinning out of control
Like, baby, whoa
Damn, not even mad though
I just had to let you go
Lose your number from my phone

'Cause you're not the one that I call
When I'm breaking down and I need someone
You're not the one that I call
When I'm losing sleep, barely holding on
I pick it up, and I put it down
Because I know you're only gonna let me down, no
You're not the one that I call
'Cause we already said it all

Calling you drunk at 4 a.m.
Drowning in tears, but we already said it all
Been down that road, never again
Too many regrets, but we already said it all

You gave me love notes and false hopes
Thought we were so close
Spinning out of control
Like, baby, whoa
Damn, not even mad though
I just had to let you go
Lose your number from my phone, 'cause

You're not the one that I call
When I'm breaking down and I need someone
You're not the one that I call
When I'm losing sleep, barely holding on
I pick it up, and I put it down
Because I know you're only gonna let me down, no
You're not the one that I call
'Cause we already said it all

You gave me love notes and false hopes
Thought we were so close
'Cause we already said it all
You gave me love notes and false hopes
Thought we were so close
