

Blue Side Of The Sky

Sofia Carson

(Sky-y-y-y-y-y, sky-y-y-y-y-y)

Lost but not yet found
Made up of pieces that I picked up off the ground
Some nights I swear, no matter how hard that I try
Feels like I'll never touch the blue side of the sky
Blue side of the sky
Full speed on the Five, both of my eyes closed
Tail-bound, Oceanside, don't care where I'll go
Tell me a thousand times, I'm betting on false hope
But I swear I'm gonna find it

You can try to hide it
You can try to hide it
You can try to hide it
But I swear I'm gonna find it

The blue side of the sky-y-y-y-y-y
Blue side of the sky-y-y-y-y-y
Blue side of the

I've been fighting for something invisible
That makes me want it more
And just on principle, I'm taking down the doors
That once were shut before
Was lost, but now I'm sure

You can try to hide it
You can try to hide it
You can try to hide it
But I swear I'm gonna find it

Blue side of the sky-y-y-y-y-y
Blue side of the sky-y-y-y-y-y
Blue side of the sky-y-y-y-y-y
Blue side of the sky-y-y-y-y-y

I've lost count again, too many living ghosts
They keep whispering, but no one will ever know
Tell me a thousand times, I'm betting on false hope
But I swear I'm gonna find it

You can try to hide it
You can try to hide it
You can try to hide it
But I swear I'm gonna find it

The blue side of the sky-y-y-y-y-y
Blue side of the sky-y-y-y-y-y
Blue side of the sky-y-y-y-y-y
Blue side of the sky-y-y-y-y-y

Blue side of the sky
Blue side of the sky
Blue side of the
